

RadioRA® 2 Level 1 Training

RadioRA 2 Level 1 Basic Lighting and Sales Training (L1 BLAST) is designed for any residential dealer or contractor interested in making lighting control systems an integral part of their business/profit model. L1 Training provides an overview on RadioRA 2 system architecture and Clear Connect® RF Technology, RadioRA 2 products, software, the Lutron advantage, and simple selling techniques.

Upon completion of the L1 course and its requirements, attendees will earn access to the RadioRA 2 Essentials software that allows for system expansion of up to 100 devices.

Self-paced, online option

- 1. Create an account or log in to your existing account at lutron.com/lcionline.** Allow 24-48 hours for new account creation.
- 2. Complete the training modules and pass the final exam.**
 - Select the RadioRA 2 Training **Browse** button from the main home page and select the **RadioRA 2 L1 Online BLAST Training Program** link.
 - Enroll in L1 training by selecting the **+** symbol.
 - Expand the learning plan by selecting **+** the symbol, and complete all modules within the learning plan, including the final exam (score 80% or higher to pass).
- 3. Download the RadioRA 2 Essentials software.** Once you have passed the final exam, a link will unlock to download the RadioRA 2 Essentials software.

One-day, in-person training option

- 1. Attend training.**
 - Contact your local distributor, Lutron representative, or Lutron salesperson to find dates and locations of training sessions in your area. If you're not sure who to contact, email resisystems@lutron.com.
- 2. Pass the final exam.**
 - At the end of training, your trainer will explain how to create an account or update your existing account on lutron.com/lcionline.
 - Once your lutron.com/lcionline account has been approved or updated (allow 24 – 48 hours for new account creation), select the RadioRA 2 Training **Browse** button from the main home page, and select the **RadioRA 2 L1 –BLAST Final Exam** link.
 - Complete the BLAST Final Exam with a score of 80% or higher.
- 3. Download the RadioRA 2 Essentials software.** Once you have passed the final exam, a link will unlock to download the RadioRA 2 Essentials software.

Note: if you have already completed training, or are interested in a refresher on the modules, the RadioRA 2 L1 - BLAST Final Exam link also contains a link to view our L1 online training modules.

RadioRA® 2 Level 1 Training

What's Next?

- **Receive special access on lutron.com.** Within 72 hours of completing L1 training, you will be pre-registered for myLutron, where you can access the RadioRA 2 Essentials software, sales tools, online instructional videos, and more. You will already have the RadioRA 2 Essentials software from completing training, but will download any future software versions from myLutron.
- **Take advantage of local support.** Your local Lutron salesperson or distribution branch Lutron Champion will reach out to you after training to see how they can assist you on your first job.
- **Get rewarded when you complete your first job.** Sell and install your first job within 60 days of your final exam pass date, and Lutron will send you a RadioRA 2 Starter Solution package—a \$175 value.

1-Zone Lamp Dimmer Package (RR-1ZONE-L-WH)

To receive your Starter Solution package, submit the form below with the .lutx file from your first job (saved after activation and transfer) to resisystems@lutron.com within 60 days of passing the final exam. Limit one per customer. Valid through December 31, 2014.
