

## T A B L E T O P   K E Y P A D S

**Slim-Button**

**Large-Button**

---

Tabletop keypads provide maximum flexibility to locate the devices where the homeowner can conveniently monitor and control lighting, window treatments and other home systems. Tabletop keypads are ideal for night stands, coffee tables and kitchen counters. Keypad buttons are programmed to create a customized control that meets the individual needs of each home.

*Tabletop keypads are suitable for any home and can be added at any time.*
